# INVESTMENT HIGHLIGHTS

## RARE DEVELOPMENT OPPORTUNITY:

38± acre buildable site in an ideal commuter location immediately off I-95. The opportunity to build a multifamily project of scale in a town like Old Lyme is extremely rare. The town has virtually no apartment inventory and with zoning, infrastructure and physical constraints the prospect of other new supply is very limited.

- **MULTIFAMILY DEVELOPMENT POTENTIAL:** Preliminary conceptual plans call for +/- 230 multifamily and townhouses units. Connecticut's 8-30g law provides a clear permitting path for the project, with the town well under the 10% threshold. 8-30g requires 30% of the units to income/rent restricted in exchange for a streamlined permitting process with the state.
- **TOP NOTCH SHORELINE TOWN:** Old Lyme is a historic small town on the Connecticut coastline. It is known for its commitment to the arts, beautiful beaches and excellent school system.
- **ACCESS TO AMENITIES:** Located within five miles of numerous retail, dining and entertainment destinations, Old Lyme Landing is readily accessible to a myriad of conveniences.
- **REGIONAL ACCESSIBILITY:** The property is located adjacent to I-95, and proximate to Route 1, 9 and I-395 providing the site with excellent regional accessibility. In addition, AMTRAK and Shoreline East train service is located nearby (8 miles; 13 mins) at the Old Saybrook train station.  
  
**Amtrak** - High speed train service for those commuting to New Haven, New York City, Providence and Boston, as well as points in-between and beyond along Amtrak's Northeast Corridor.  
  
**CTrail Shore Line East:** Traditional commuter rail service from New London to New Haven, seven days a week
- **"A" SCHOOL DISTRICT:** #5 in CT U.S. News & World Report's "Best High Schools".

# OL

- **BOOMING JOB MARKET:** General Dynamics Electric Boat, headquartered nearby in Groton, CT, is expected to add 3,000+ jobs in 2025 and 5,000+ through 2030. In June-2025, Electric Boat acquired the former Macy's department store at the Crystal Mall in Waterford (10 miles; 15 mins). EB plans to renovate the property for office and R&D use for approximately 700 employees.
- **SCENIC COASTAL TOWN:** Old Lyme enjoys a scenic rural atmosphere with beautiful shorefront, wetlands, marshes, tidal lands, rivers, wooded trails, and a handful of charming village centers.
- **EDUCATION AND RESEARCH:** New London County is home to over 12,000 college and graduate students, with major research institutions and hospitals in the area.
- **TOURISM AND GAMING:** Mohegan Sun (25± mins) and Foxwoods Resort Casino (30± mins) attract 18-19 million visitors annually, the Mystic Seaport Museum (25± mins) attracts 1-2 million visitors annually and the Mystic Aquarium (25± mins) attracts over 800,000 visitors annually.

# OLD LYME, CT

Old Lyme, in New London County, is located in southeast Connecticut on the mouth of the Connecticut River where it meets the Long Island Sound. The coastal town's early industry centered on fishing, shipping and shipbuilding. Evolving into a summer resort and artists' colony in the nineteenth century, Old Lyme is known for its beautiful beaches, a vibrant art scene, including the Florence Griswold Museum, Lyme Academy College of Fine Art, and the Lyme Art Association, and its dedication to preserving its natural resources.

Old Lyme's year round population of about 7,800 doubles in the summer with seasonal residents and vacationers. Old Lyme is a bedroom community for people who work in New London, Groton, New Haven, Hartford and beyond. The major regional employer, General Dynamics Electric Boat, is located nearby in Groton. Electric Boat recently announced plans to expand its workforce at the Crystal Mall in Waterford, just a 15 minute drive from Old Lyme Landing.

	Taxes Due	\$5,955

## Permitting Path – §8-30g

CT General Statute 8-30g was enacted in 1989 seeking to increase the supply of Affordable Housing in the State of CT. 8-30g requires all municipalities in CT to achieve 10% of its housing stock as Affordable Housing as defined by the State. In towns that have less than 10% Affordable Housing, 8-30g allows developers to override local zoning and permitting regulations (including density, height, setbacks, etc.), facilitating the development of higher density housing.

### 2024 Affordable Housing Appeals List

#### Town of Old Lyme

<b>2020 Households</b>	<b>4,988</b>
<b>2024 Total Assisted Units</b>	<b>79</b>
<b>2024 Percent Affordable</b>	<b>1.58%</b>

In 8-30g projects, 30% of the dwelling units must be income/rent restricted for a minimum of 40 years. Half of the affordable units will have rents indexed to 60% of area median income and the other half will have rents indexed to 80% of the area median income. 8-30g ensures that municipalities cannot deny an affordable housing proposal unless there is a specific significant health or safety concern, and critically, the burden of proof for this concern is placed on the municipality.
